

RESIDENT HISTORY AND SOCIAL INTERESTS

A large part of what we offer at The Plaza is a social environment where a person can participate in activities and events that they have enjoyed during their lifetime. To help us create a program that incorporates the activities you enjoy, we would like to know a little about your past and what you enjoyed doing.

Please answer the following questions. If there is additional information that you would like to add please include it on a separate sheet of paper. The more we know about you the better our activity programs will be.
