

Let's Protect The Environment!

It is our responsibility to preserve nature and prevent climate change!

THINGS YOU CAN DO:

Plant more trees to help save energy and clean the air.

Try to use more reusable grocery bags when you go shopping.

Help others understand the value of our natural resources.

Learn how to reduce, reuse, and recycle waste.

Resident Council

Join us for The Plaza at Moanalua's Resident Council on April 16 at 2PM in the Main Activities Room.

Resident Council is a great way for your voice to be heard! All department heads attend and will listen to your concerns. It is also a way to communicate the needs of the community.

Fire Safety

In regards to the recent fire drill - in the event of a fire, residents should remain in their apartments with their doors closed, as their doors are fire rated. Or if in a common area, staff can help to direct them towards either an area of refuge or outside if we need to evacuate the building.

Earth Day Maze Puzzle

Earth Day is all about protecting our planet. Help the plastic bag find its way to the recycling bin by solving this maze.

Spring Word Search

Can you find the words hidden in the puzzle?
