

## **Coronavirus (COVID-19) Update:**

### **The Plaza at Pearl City – Testing Results 100% Negative**

August 30, 2021

On Tuesday, August 24, 2021 an update was sent reporting that a second round of testing conducted on August 22, due to a positive Assisted Living Team Member, had come back as 100% negative for COVID-19.

Per the direction of the Hawaii State Department of Health, a third round of testing was conducted on Sunday, August 29 for all close contact Residents and all Team Members who work on the Assisted Living floor. Today we are happy to share that 100% of those results were confirmed negative.

**Effective immediately, all Residents on the Assisted Living floor will be released from quarantine.**

Communal activities and dining for Assisted Living Residents will resume on Tuesday, August 31st. Additionally, outdoor visitations by appointment will again be allowed for Assisted Living Residents.

We thank you for your continued patience and understanding as we worked toward getting The Plaza at Pearl City COVID-19 free.
