

## Coronavirus (COVID-19) Update:

### The Plaza at Pearl City, Next Round of Testing

September 16, 2021

On September 10, 2021, we reported that a direct care Team Member had tested positive for COVID-19. As a result, all Residents living on and Team Members working on the Assisted Living Floor were administered COVID-19 antigen tests; all of which were reported negative. A second round of testing took place yesterday, September 15, 2021, and we are happy to report that 100% of those results were also negative.

Per the direction of the Hawaii State Department of Health, a third round of COVID-19 **antigen testing will be administered September 19, 2021**, for close contact Team Members and all Residents who live on the Assisted Living Floor. If all tests are confirmed negative, The Plaza at Pearl City will be deemed clear of COVID-19.

If you have any questions, please contact Administrator, Jennifer Pyun, at (808) 455-8808.
