

COVID-19 Update:

The Plaza at Pearl City Testing Update

September 24, 2021

On Tuesday, September 21, 2021, a notice was sent announcing that a direct care Team Member at The Plaza at Pearl City had tested positive for COVID-19. As a result, all who may have come into close contact with this individual were informed and all Assisted Living Residents and Team Members were administered COVID-19 antigen tests; all of which were confirmed negative.

Per the direction of the Hawaii State Department of Health, all close contact Residents remain on quarantine and an additional round of COVID-19 antigen testing was completed Thursday, September 23, 2021. We are happy to share that 100% of these tests were also negative.

A third round of testing has been scheduled on Wednesday, September 29, 2021 for all Assisted Living Team Members and Thursday, September 30, 2021 for all Assisted Living Residents. If all tests are confirmed negative, The Plaza at Pearl City will receive the all clear and Residents that are on quarantine, will be released Friday, October 1, 2021.

No resident services IE: Dining, Activities, Nursing have been impacted and will continue as normal.

We thank you for your patience and understanding as we work toward getting The Plaza at Pearl City COVID-19 free.

If you have any questions, please contact Administrator, Jennifer Pyun, at (808) 455-8808.
